LEADING FORWARD TOGETHER

18th Annual Medical Staff Educational Symposium

June 19-20, 2015
Boyne Mountain
Boyne Falls, MI
Welcome

In 1998, Medical Staff President, Dr. Kirit Vora, organized the first Beaumont, Troy Medical Staff Symposium. The purpose was to establish an off-site venue for physicians and administrators to learn not only about medicine, but also about each other and to have a little fun along the way. This family event became quite popular, emblematic of the esprit de corps that remains the cornerstone of the success of Beaumont, Troy. More recently, colleagues from Beaumont, Grosse Pointe and Beaumont, Royal Oak have been included. The CME presentations remain cutting edge even as the world of medicine continues to undergo a seismic change. However, the laughter of the children and the weekend of goodwill remain the same. This year, we are pleased to welcome our colleagues from Botsford and Oakwood. Administrator or physician, doctor or nurse, private practice or employed, appointed or elected, we are unified in our commitment to providing the best possible care for our patients and in the relentless pursuit of excellence. And so we proceed as Beaumont Health, leading forward together.
