PEDIATRIC AFTER-HOURS CLINICS

If your child has a fever, earache or other discomfort, call your pediatrician's office for advice on treatment options. When your pediatrician's office is closed, consider a visit to the Pediatric After-Hours Clinic at Beaumont Hospital, Royal Oak or Beaumont Hospital, Troy.

At the Pediatric After-Hours Clinics, Beaumont Children's Hospital doctors treat patients with:

- fever
- earache
- cough, cold, sore throat
- skin rash, insect bites
- stomachache, diarrhea
- mild asthma

If you suspect your child has abdominal pain, broken bones, may need stitches, or has a more serious illness, please go directly to the Emergency Center.

QUALITY MEDICAL STAFF

The Pediatric After-Hours Clinics feature:

- board-certified physicians on staff at Beaumont, Royal Oak or Beaumont, Troy
- experienced and professional nursing staff

QUALITY SERVICE

The Pediatric After-Hours Clinics are conveniently located in the Medical Office Building at Beaumont, Royal Oak and near the EC at Beaumont, Troy. No appointment is needed. Amenities and services include:

- free parking in the adjacent parking decks
- convenient hours (evenings, weekends and holidays) 365 days a year
- prompt service
- on-site lab, X-ray and testing services
- affordable services – most insurance plans accepted, with an office visit co-pay paid at the time of service

Please note that the health and safety of your family member is our primary focus. If it is determined that additional testing, evaluation or treatment is necessary, you will be referred to the Emergency Center, where physicians and specialists are available 24 hours a day. Your care in the Emergency Center will be billed as an emergency visit and all standard charges for treatment and services will apply.
