13th ANNUAL
Vascular Innovations Conference

March 18-19, 2016
Wyndham Garden – Sterling Heights, Michigan
(formerly Sterling Inn Conference Center)
The Vascular Innovations Conference has been a tremendous success from its beginning. It has grown from a single department to multi-institutional endeavor, drawing attendees from throughout the Great Lakes region. The 13th Annual Vascular Innovations Conference will maintain the tradition of diverse clinical approach, with nationally recognized faculty representing the multidisciplinary nature of vascular disease. The conference will focus on chronic venous disease, dissections, holistic health, cardiovascular endurance and vascular accreditation.

13th ANNUAL
Vascular Innovations Conference

Target Audience
This conference will provide physicians (cardiovascular, vascular medicine, vascular surgery, interventional cardiology, interventional radiology, internal medicine and family practice), as well as vascular technologists, sonographers, residents, fellows, physician assistants and nurses a better understanding of vascular disease, technical advances, clinical applications and interpretation criteria for non-invasive vascular studies.

Accreditation/CME Credits
William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.

Objectives
As a result of attending this conference, participants should be able to:
- implement current standards for the diagnosis and management of patients with chronic venous disease
- discuss duplex scanning of the renal arteries and abdominal shunts
- apply new ICD-10 codes to your current practice

Program Highlights
- chronic venous disease
- billing and coding
- renal duplex
- dissections
- vascular accreditation

Acknowledgment
This conference will be partially supported by educational grants and display fees from commercial supporters.

Register online through March 15, 2016 at http://www.beaumont.edu/medical-education/continuing-medical-education/cme-calendar/cardiology-conferences/vascular-innovations-conference/

Early bird registration through Feb. 7, 2016

FACULTY

Course directors

Phillip Bendick, Ph.D., RVT, FSDMS, FSVU
Vascular Imaging
Beaumont Hospital – Royal Oak

Paul Bove, M.D., RVT, RPVI
Medical Director, Vascular Imaging
Beaumont Hospital – Royal Oak
Associate Professor of Surgery
Oakland University William Beaumont (OUWB)
School of Medicine

Guest faculty

Marge Hutchisson, RVT, RDCS
Vascular Testing – Director
Intersocietal Accreditation Commission
Ellicott City, Maryland

William B. Schroedter, BS, RVT, RPhS, FSVU
Vascular Technologist
Quality Vascular Imaging
Venice, Florida

Rita Shugart, RN, RVT, FSVU
President, Shugart Consulting
Greensboro, North Carolina

Thom W. Rooke, M.D.
Mayo Clinic – Gonda Vascular Center
Rochester, Minnesota

Patrick A Washko BSRT, RDMS, RVT, FSVU
Coordinator/Technical Director
Vascular Diagnostic Center
UNC Rex Healthcare
Raleigh, North Carolina

Beaumont faculty

Purushottam Dixit, M.D.
Interventional Radiologist
Assistant Professor of Diagnostic Radiology
OUWB School of Medicine

Barry Franklin, Ph.D.
Director, Preventive Cardiology and Cardiac Rehabilitation
Professor of Medicine
OUWB School of Medicine

Joel Kahn, M.D.
Cardiologist
Clinical Professor of Medicine
Wayne State University School of Medicine

Graham Long, M.D., RVT, RPVI
Medical Director, Surgical Clinical Trials
Beaumont Hospital – Royal Oak
Associate Professor of Surgery
OUWB School of Medicine

Justin Trivax, M.D., FSCAI, FACC
Director, Cardiovascular Performance Clinic
Assistant Professor of Medicine
OUWB School of Medicine

Maciej Uzieblo, M.D., RVT, RPVI
Vascular Surgeon
Assistant Professor of Surgery
OUWB School of Medicine

Planning committee

Phillip Bendick, Ph.D., RVT, FSDMS, FSVU
Paul Bove, M.D., RVT, RPVI
Margaret Burr, BS, RVT, RDMS
G. Robin Mastick, BS, RVT
Holly Adcock-Verrier, AAS, RVT
Cindi Bell, RVT
Jamie Ternes, RVT

Disclosure – All planning committee members and speakers have been asked to disclose any significant relationships they may have with commercial companies within the past 12 months that are relevant to their presentation. The presence or absence of relationships as well as off-label discussion of products will be disclosed at the time of the meeting.
Wyndham Garden – Sterling Heights

The Wyndham Garden – Sterling Heights is the official hotel for the Vascular Innovations Conference.

The Wyndham Garden Hotel is offering a group rate of $99 per night plus tax. To make your reservations, please call 586-979-1400 or 800-953-1400 and identify yourself as being with the Beaumont Vascular Innovations Conference.

Early-bird registration rates are available until 02/07/16. Advanced registration closes on 03/15/16. After 03/15/16, you may register onsite at the Beaumont registration desk located in the foyer of the Wyndham Garden Hotel.

Conference registration fees include access to presentations, continental breakfast, Friday lunch, breaks and CME Credit.
