Practical Update in Cardiology 2016

A Comprehensive Review of the Latest Breakthroughs and Advances in Cardiovascular Medicine from a Practical Viewpoint

Saturday, Nov. 12

Detroit Marriott Troy – Troy, Michigan

Supported by

Beaumont School of Medicine

The Lois Walts Farrell Education and Training Fund
Practical Update in Cardiology 2016 is designed to provide attendees with a comprehensive review of the latest breakthroughs and advances in cardiovascular medicine. The course will focus on practical management issues for practitioners in a variety of key topics such as coronary artery disease, atrial fibrillation, valve disease, and congestive heart failure. With a combination of didactic lectures, case presentations and panel discussion, faculty will also highlight cutting-edge therapies and discuss common challenges encountered in daily clinical practice.

Objectives
By attending this conference, attendees should improve their ability to:
- Describe new diagnostic techniques to evaluate coronary artery disease
- Review new recommendations in hypertension
- Describe new agents for treatment of hyperlipidemia
- Discuss new advances in the management of pulmonary embolism

Target Audience
This CME conference has been designed to meet the educational needs of cardiologists, cardiac care providers, internists and family practitioners.

CME Accreditation and Credit Designation
William Beaumont Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.

Acknowledgement
This conference will be partially supported by display fees from commercial supporters.
